RARE SPIRITS

Chicken Cock | Single Barrel Rye Whiskey | 1oz **16** 2oz **32**

This distillery only release is an excellent example of the quality of whiskey being bottled here. Chicken Cock is a historic old brand that was recently brought back to life and is being produced at the Bardstown Distillery in Kentucky. It is perfectly balanced in its rye spice, while carrying enough sweetness and nuance to be appreciated by the most discerning whiskey drinkers. Best enjoyed neat.

Woodford Reserve | Masters Collection No.16 | 1oz **17** 2oz **34**

This release from 2020 was built around "Very Fine Rare Bourbon" barrels that were distilled in 2003 and aged for 17 years. It's bottled at a very enoyable 45.2% abv. The many layers of old oak are balanced by notes of caramel, brown sugar and tobacco. This decadent old bourbon finishes with dried fruit and a touch of sweetness.

Frey Ranch | Farm Strength Bourbon | Nevada | 1oz **9** 2oz **18**

This grain to glass bourbon provides a very singular experience. The Frey family are 5th generation farmers and ranchers who manage every aspect of production from growing the grains, malting, milling, mashing, distilling, maturing and bottling this bourbon on their 1,500 acre ranch in Nevada. It's a strong, potent, and powerful whiskey that's bottled at full proof. Best enjoyed with a little courage or a big ice cube.

Old Forester | Birthday Bourbon | 12yr small batch 1oz **30** 2oz **60**

We pulled this bottle from our collection to share and celebrate our own 9th birthday coming up this August. This 2021 release was bottled at 12 years of age and a very enjoyable 104 proof. If you know, you know. This bottling is currently selling for \$800+ on the second hand market. Best enjoyed neat to celebrate your birthday, or ours.
