

The background of the entire page is a repeating pattern of various fruits and leaves in a reddish-orange hue. The fruits include apples, grapes, strawberries, cherries, and raspberries, some shown whole and others as clusters or individual pieces. The leaves are detailed with veins. The pattern is dense and covers the entire area.

RARE SPIRITS

Blood Oath | The Pact IX | Small batch bourbon 1oz 14 2oz 28

Each batch of Blood Oath are singular, one off blends of rare old whiskey never to be made again. This rendition is a blend of an old oaky 16yr bourbon, a luscious 12yr bourbon, and a 7yr bourbon finished in Olorosso Sherry casks. Bottled at 49.3% abv. Notes of fig, molassas, sweet sherry and spicy oak.

Angels Envy | Cask Strength Bourbon 1oz 19 2oz 38

The annual release of their cask strength bourbon is hard to come by and for good reason. At full proof the typical soft, sweet-ish, portwood finished bourbon is turned up to 11. This is the 2021 release, bottled at 60.5% abv and it's delicious.

Green Chartreuse V.E.P | France 1oz 25 2oz 50

An exceptionally rare bottling of Green Chartreuse that has aged for at least 8 years in oak vats before being bottled in the original 1840's, hand numbered bottles. A truly divine experience.

Blanton's | Gold Label | Single Barrel Bourbon | 1oz 20 2oz 39

Blanton's is produced at the Buffalo Trace distillery and was the first brand releasing single barrel bourbons. The "gold label" is a higher proof version of the classic Blanton's bottling, offering a more intense and flavorful profile. The Blanton's line uses Buffalo Trace's #2 recipe which contains a higher portion of rye resulting in a drier, more peppery finish than other bottlings coming out of the distillery.

This rare gem is highly allocated and the only bottle we've got.
