RARE SPIRITS

Orphan Barrel | "Fable & Folly" | Whiskey | 1oz 17 2oz 34

This 14 year old blended whiskey contains the remnants of other old Orphan Barrel releases blended with some old rye and corn whiskeys. This bottling is rich and creamy with lovely spice note from the old rye in the mix. It makes a fantastic after dinner dram.

Woodford Reserve | Masters Collection No.16 1oz 17 2oz 34

This release from 2020 was built around "Very Fine Rare Bourbon" barrels that were distilled in 2003 and aged for 17 years. It's bottled at a very enjoyable proof of 45.2% abv. The many layers of old oak are balanced by notes of caramel, brown sugar and tobacco. This decadent old bourbon finishes with dried fruit and a touch of sweetness.

Bird Creek | American Single Malt | Oregon 1oz 18 2oz 36

This cask strength release of the "Baronesse" is ridiculously good and without question the best Oregon made whiskey to pass my lips. The entire Bird Creek project is sourcing grains from family owned farms grown and milled locally in the pacific NW. This is every bit as good as any Scotch on the shelf with rich flavors of caramel sweetness and barley. We are thrilled to offer this exceptional whiskey.

Blanton's | Gold Label | Single Barrel Bourbon | 1oz 20 2oz 39

Blanton's is produced at the Buffalo Trace distillery and was the first brand releasing single barrel bourbons. The "gold label" is a higher proof version of the classic Blanton's bottling, offering a more intense and flavorful profile. This rare gem is highly allocated and the only bottle we've got.
